the

NODE FIRM

DAY 3: KRAKEN.JS / PAYPAL

QUESTIONS AND ANSWERS

LAB ACTIVITIES

DUST.JS

- Extend Duster (starting with 06_duster2.js) to use the dustjs-helpers to:
  - Execute the `{@math}` examples
  - Fix the Friends example (04_friends.dust) to start counting at 1

KRAKEN-CART

- Implement `/pay`
- Implement a "featured" product listing and the associated machinery (model, views, controller)

FEEDBACK
